

BUILD KNOWLEDGE. BUILD CONFIDENCE.

Axon Academy is a breakthrough learning management system that helps you make the most of your Axon devices and apps. Whether you want to learn more about Evidence.com or TASER Smart Weapons, Axon Academy offers you the support tools you need to become a technology expert. With a comprehensive training library, you'll learn how to master your new technologies quickly.

| FEATURES & BENEFITS

Unlimited Access: Axon Academy offers an extensive training library to help you learn more about TASER weapons, Axon devices, Evidence.com, and more.

Expert Facilitators: Our knowledgeable instructor network is ready to support you as you implement your new Axon technologies or TASER program.

Learn Anywhere: Axon Academy's mobile- and tablet-friendly design lets you access the information you need from anywhere, at any time.

Creative Training Assets: To meet different learning styles, Axon Academy offers you a range of assets, including podcasts, e-learning modules, simulations, and videos.

I AVAILABLE PROGRAMS

Classes are available for Evidence.com administrators, officers, and back-end users.
Resources include:

Training Library: Review instructional resources, bite-sized video demonstrations, and step-by-step job aids.

Virtual Classes: Attend a twice-a-month virtual class open to administrators. Topics include getting started with Evidence.com, roles & permissions, user administration, evidence management, case management, and advanced software capabilities, such as redaction and reporting.

Accredited Certification Courses*: Take part in our novice-to-expert learning program, designed for administrators or managers of digital evidence management and body-worn camera programs. The program modules cover all Axon product lines and the entire Evidence.com workflow.

Learn more at academy.axon.com

*Certification available for a separate nominal fee. Accreditation pending.
