

TASER COURSE HOST REQUIREMENTS

Axon Academy, powered by PoliceOne, has provided an online learning opportunity TASER Training Instructors. The TASER Conducted Electrical Weapon (CEW) Instructor Course includes an online component that must be completed, no later than three days, before the practical portion of instruction with a TASER Master Instructor. This course will cover one or both of the TASER X26P and X2 CEWs. This is considered a 16-hour course for attendees (8 hours online + 8 hours in class), and we no longer differentiate between new versus recerts. This is now a one-day class for all attendees and a flat fee of \$325 per person.

If you are interested in hosting an X26P and X2 Instructor course, submit your request at <https://academy.axon.com/events/host-requests/create>. If you don't already have access to Axon Academy, you will be required to sign up, a process which can take one to two business days.

We cannot have more than one class within a two-hour drive of an agency that is already hosting. If there is such a class already posted, you may provide dates that are two months in future, past the month that class is hosting. We don't hold two classes in the same location, within two months of each other. This is in an effort to spread classes out, helping to ensure enrollment and regularly scheduled courses.

Host agencies are required to notify neighboring agencies of the training in order to maximize enrollment. The dates need to be a minimum of **90 days/ three months in advance** to have enough time for sufficient enrollment and for online access. It takes approximately three weeks to set up a class once the host email has been received. Registration will close 21 days before the practical session. Hence the reason for needing at least three months' notice.

We will need at least 10 people to hold the training with a maximum of 25 attendees. The host agency will receive a total of three FREE TASER host spots for hosting the class. All registration and payment is handled directly by via Axon Academy online.

For hosting an Instructor course, the following items need to be provided:

- 25-30 person training room
- Power Point projector, screen and audio capabilities for presentation
- Accessible coffee, water, and/or soda for students
- Internet access is REQUIRED to be provided for both classes
- Training mats/wrestling mats – Instructor Only
- Target backers (either plywood, foam core, etc.) – Instructor Only
- Latex gloves, bandages, and anti-septic wipes – Instructor Only

****TASER Training reserves the right to refuse any department or company to host any course, without reason. If we are informed that you were unable to meet our requirements outlined above, then you will not be permitted to host again without further review****
